

Evening Programs and Special Events

Thursday March 27

“Playnote” Speaker Michelle Cummings

Michelle has created a wide variety of facilitation, debriefing and reviewing activities that have collectively changed the way adventure-based educators and trainers work. She has facilitated a wide variety of programs from therapeutic populations, corporate and school groups, to train the trainer programs for professionals.

Friday March 28

Silent Auction

Please help us with this event by bringing an item(s) from you local office, unit, camp, state, or maybe something creative that you made yourself to add to the auction table. This is your chance to show off the uniqueness of your programs and your state!

(Proceeds from this event will help cover the costs of NCI 2008 and support future NCI conferences.)

Cocktail Social and Exhibits

Enjoy refreshments and socializing with friends both old and new while visiting with our many gracious event sponsors. Make sure and check out all the wonderful products and support that our sponsors have to offer!

Ping Pong Tournament

Have you got the skills to pay the bills? Show them off by entering our NCI-2008 Ping Pong Tournament and possibly walk away with some prizes as well as bragging rights for your state! Individual and team sign-ups will take place at check-in on Thursday.

Tandy Leather Craft Workshop

Come check out the wonderful world of Leather Craft and take home something special with this fun filled workshop brought to us by the fine folks at Tandy Leather Factory!

Saturday March 29

Group Dynamics & Camp Games
