

# Be A 2008 4-H OPERATION MILITARY KIDS SPONSOR!

The Virginia 4-H Program is proud to host the Operation Military Kids Service Learning Project this year at State 4-H Congress. Virginia 4-H would like to show support of the deployed soldiers by sending small personal items that would help make life a little more pleasant. Remember, it is the small things that are missed while the soldier is away from home. Your consideration of a soldier while serving his country means more than words can express. These items will be collected at check-in and will be boxed for shipping during the GSS Service Learning workshop.

Please see the attached list of items needed!

In addition to supplies for the hero packs, financial donations can be made to help cover the cost of shipping. Checks can be made payable to the "Virginia 4-H Foundation." Any financial donation made over \$20 will receive a receipt of this donation for a tax deduction. We apologize but we cannot assess give tax credit for items donated.

You can become a Virginia 4-H OMK sponsor with your tax deductible donation to the program. Your donation will truly help Virginia 4-H "Make the Best Better."
