## Rules & Guidelines

- All participants must be a 4H horse project member. All animals must be their 4H project horses.
- Each horse/rider combination may participate in both clinic sessions but must pay fees for both.
- If another horse is to be qualified at this clinic, then rider must complete separate entry and ride/drive in an additional section.
- The side saddle portion of the clinic is not a district qualifier for state. It is strictly for educational purposes only. The instruction is intended to assist participants in determining if this could be an additional class to participate in at state. If the instructor deems the horse and rider are a danger to themselves or other participants then they will be asked to dismount and not participate in the mounted portion of the clinic.
- 4Hers not participating are welcome to audit at no cost but must sign an equine waiver.
- Only riders registered for the clinic are permitted to ride on the grounds during the clinic.
- Only horses registered for the clinic are allowed on the grounds
- Current Coggins within 12 months must be brought to the clinic with your horse before it is unloaded
- All participants must wear ASTM SEI certified helmet, proper riding boots and for those on horseback they must have proper riding pants
- Participants should dress according to weather. Show attire will be discussed but will not be necessary for participants to wear for the clinic.
- Horse/Rider combinations deemed unsafe by clinician will NOT be considered qualified for the state show, and must qualify at another event
- Leave all DOGS at home!
