**SUMMER CAMP FOR THE WHOLE FAMILY OFFERED**

Family camp, an annual event at Holiday Lake 4-H Educational Center in Appomattox, Virginia, will be held June 7 – 11, 2004. Family camp offers the chance for family members to bond with each other while at the same time experiencing their own level of independence in a safe environment. Participants (youth and adults) take three classes a day, one of which is specifically designated as a family activity. Classes offered include swimming, theatre arts, nature, canoeing, forestry, archery, and more. Afternoons and evenings are filled with special activities such as hikes, canoe trips, and campfires.

Family camp offers a variety of activities for all ages. Lodging is separated by family, with one family in each rustic cabin or bunkhouse room. Space is limited to 25 families. Registration is now underway and will continue until March 26. To receive registration information, contact Jennifer Bowen, Camp Co-Director, at (434) 392-4246 or Bryan Branch at Holiday Lake 4-H Center at (434) 248-5444.
